Mike and Kevin,

It was great seeing you today -- just like old times!!

I received the below email from Leron Gubler with the Hollywood Chamber of Commerce. They have an upcoming committee meeting on Tuesday March 17th at 8:00 AM, and are requesting someone from Rec & Parks to attend if possible.

They will be discussing open space issues, specifically related to what is happening in Downtown LA as well as Hollywood Central Park and other open space opportunities.

Would it be possible to have someone from Rec & Parks attend the meeting? Please let me know...

As always, thanks!!

Hi Dan,

Wanted to follow up on the upcoming Economic Development Committee, on Tuesday, March 17, at 8 a.m. at the Chamber. They are focusing this month on open space issues. They were hoping that you could attend representing CD13 and that you could get someone from Rec and Parks to attend as well. You aren't expected to present but wanted you there for comments/input/feedback. There will be presentations on what Downtown is doing, alleys and open spaces, Hollywood Central Park and open space opportunities.

Will you be able to make it? And can you help get someone there from Rec/Parks?

Thanks much,

Leron
